

EXPO HALL

Please don't stop in mid-aisle to take photos – particularly of cosplay. If you want to take cosplay pics, that's cool, we just ask you do it off the Expo Floor. We have a designated photo booth on Level 6 available, hint hint. Pictures within a booth, provided it's been approved by the exhibitor, are totally fine. Do we really need to say Pokémon Go is a really bad idea here too? I didn't think so.
